Summary of reasons for decision:

The publication is a short film made by secondary school students for The Roxy5 Short Film Competition 2017. These films often highlight relationship and social issues from children's and young persons' perspectives. This one deals with themes and concepts of romance and love thereby targeting more mature audiences. This material may confuse very young children. Accompanying parents and/or caregivers will help children make sense of the storyline. The classification given does

not impinge on the right to freedom of expression enshrined within the New Zealand Bill of Rights Act 1990.
